

9/11 MEMORIAL STAIR CLIMB

Together, We Climb.

One community, one day of remembrance.

On **Friday, September 11**, The Wave brings our community together to remember the lives lost, honor the first responders who answered the call, and stand behind the families who continue to serve. For every hour we are open, **two stair mills stay in continuous motion from 5am to 10pm** as members and neighbors take turns climbing, so the effort never stops through the day.
